KARIMOKU AT SALONE DEL MOBILE 2022
PRESS RECEPTION: 7 JUNE, 11 - 11.30 H

The Japanese lifestyle brand Karimoku is delighted to invite you to an exclusive press reception of the brand's presentation at Salone del Mobile 2022.

In a thoughtfully curated interior resembling an apartment, Karimoku showcases the wide variety and high quality of its bespoke furniture collections and debuts two new elegant designs by Keiji Ashizawa.

The brand's co-founders, Danish architecture and design studio Norm Architects and Japanese architecture and design practice Keiji Ashizawa Design as well as Hiroshi Kato, Vice President of Karimoku Furniture, will be present and introduce you to the brand's holistic interior design approach, the versatile collection and the new designs to be launched during Salone del Mobile. All participants will be available for interviews by appointment.
